

Senior Building Surveyor / Building Regulations Consultant

The Company:

McKenzie Group Consulting is one of Australia's most experienced and respected Building Surveying, Accessibility and Compliance Management consultancies with an innovative and proactive approach to service delivery. We have an immediate opportunity for a talented and highly motivated individual with a minimum of 5 years' experience to join the Melbourne team at our national Building Surveying consultancy in a senior role.

The Role:

We have an immediate opportunity for a talented and highly motivated individual with a minimum of 5 years' experience to join the Melbourne team at our Building Surveying consultancy in a senior role. We offer comprehensive and interesting professional careers in all classifications of buildings; in particular we offer the opportunity to work on high profile commercial buildings, retail, industrial and public use projects which provide significant career development and an increased profile within the industry. Our technical team are hard-working, goal driven and friendly and need likeminded colleagues to plan for growth.

Responsibilities:

The successful candidate will be required to ensure compliance with the Building Act and Regulations and Building Code of Australia and undertake a full range of Building Surveying duties as well as technical and project management skills. In addition, you will be responsible for the training and mentoring of more junior colleagues as well as active participation in management meetings, following through on delegation of tasks and contributing to company performance targets. Marketing to new clients and preserving relationships with existing client base.

To be successful, you will have the following:

- ✓ Ideally, unlimited Building Surveying registration or near registration.
- ✓ A minimum 5 years' experience working in Private industry.
- ✓ Experience in working on large, complex commercial projects.
- ✓ Excellent time management skills.
- ✓ An ability to mentor people around them.
- ✓ Attention to detail and proven ability to write high quality and considered reports.
- ✓ Professional attitude, friendly personality and self-motivated.

Salary package and company progression will be dependent on level of experience and ability. Note that your confidentiality is guaranteed.

If the above role excites you and you are keen to progress your career in a truly National highly dynamic company, then we would encourage you to apply online.
